Dear Parents:

As a parent of a student attending a school that is receiving Federal Title I dollars, you have the right to know the professional qualifications of the teacher(s) and instructional paraprofessional(s) who instruct your child.

Federal law requires every Title I school district to comply and provide you with the requested information in a timely manner. All schools have on file a listing of faculty members and their professional qualifications.

If you would like to know the professional qualification information regarding your child's teacher(s) or paraprofessional(s), please call the school to set up an appointment to speak to the Dr. Carol Domb (Chief Executive Officer) or Ms. Kellie Porter (Principal).

We look forward to a productive school year, and we assure you that together we will make a difference in your child's life.

Sincerely,

Kellie Porter
Principal
